Learn how to best position your services in new markets or better understand niche segments of your existing or potential clients.

Competitive Assessment

Profile top competitors in your marketplace. Identify saturation and competition. Estimate your market share and growth potential.

GAUGE YOUR CUSTOMERS' SATISFACTION

Customer Satisfaction/ Needs Assessment Surveys

- › Measure customer satisfaction and loyalty.
- › Obtain a better understanding of your clients' needs.

Closed Account Surveys

- › Understand why your customer voluntarily closed an account.
- › Learn where their banking needs are being met and how to recover and retain customers.

Mystery Shopping

- › Evaluate customers' experience when opening a new account, securing a loan or utilizing services.
- › Conduct on-site or telephone mystery shopping.

Focus Groups

- › Utilize a skilled RMS moderator to guide a group discussion to best understand your customers opinions, interest in programs, or ways to enhance the client experience.
